

## 5<sup>TH</sup>/6<sup>TH</sup> GRADE SUPPLY LIST

Dear Parents,

Welcome to a new school year. I am looking forward to a great year with you and your young person. In order to be properly prepared it would be helpful for your child to bring in the following supplies by the first week of school:

- A planner will be provided by the school
- 3 ring notebook or trapper notebook paper
- spiral notebook or composition book for reading vocabulary
- 2 empty folders to stand up on desk while taking tests and quizzes
- Folder(s) for homework to be done or corrected
- blue or black pens
- pencils
- erasers
- colored pencils
- scissors
- glue stick
- ruler (standard and metric)
- calculator (6<sup>th</sup> graders need to have one with a square root function)
- 2 boxes of Kleenexes
- Lots of smiles and a willingness to learn!
- Bible (King James Version or New King James Version to use with Bible workbook)
- A flash drive is optional when we are working on stories/reports

Milk cards are available through the office for the purchase of 25 milks.  
All textbooks should be covered by the second week of school.

If you have any questions you may always send in a note, stop in, or call me at the school and I will get back to you as soon as possible. My e-mail is [jean.burns@bcserie.org](mailto:jean.burns@bcserie.org).

Please pray for us that we would learn what God has in store for us this year and that we would learn to walk more closely with Him.

In His Service,

Jean A. Burns
